

# Duo

- *An easy chair and table, the perfect Duo.*

Duo is simple. It comprises of a chair and a table which you can configure into simple shapes. It's low profile makes this an easy sitting reception or breakout chair.

Soft & Collaborative Seating

Soft & Collaborative Seating

# Trio

- A Trio of shapes!

Trio comes in three shaped units, Straight, Concave and Convex. These combine perfectly to allow you to make gentle curves and waves, that add style to any office or relaxation space.

Soft & Collaborative Seating

# SIT-u Link

- Fun. Bright. Functional.

Link brings vibrancy to any work place where a soft seating area is required for occasional use.

Use the co-ordinating shapes to create fun configurations!

# SIT-u Bench

- A modular and versatile bench seating system.

Bench is comfortable and versatile.  
Use corner links, optional arms and backrests to configure layouts  
to suit all reception and soft seating areas.  
The independently upholstered seat cushion allows for colour co-ordination  
using two or three tone fabric choices.
