

Panel end and cantilever combination desks offer a cost effective solution.

Supplied with an integrated 3 drawer pedestal and choice of 4 handle options they are ideally suited for any office environment.

● PAGE 4 PAGE 5 ●

Sirius is a cantilever desking system with the flexibility to accommodate the multifunctional requirements of the modern day office.

Various desking configurations can be achieved using radial workstations.

Radial end units offer storage solutions as well as additional work space.

● PAGE 7 ●

120 degree segment workstations arranged as three-way clusters can become clusters of six when additional working areas are required.

● PAGE 9 ●

Sirius desking can incorporate cable management with the use of cable trays and 'clip on' cable risers. Desk high Sirius bookcases compliment the workstation and offer a 2-level storage facility.

● PAGE 10 PAGE 11 ●

This radial workstation configuration is one of many which can be achieved using this design of desking and featuring practical user-friendly surfaces.

● PAGE 12 PAGE 13 ●

Odyssey panel end desking offers a more executive appearance.

● PAGE 14 PAGE 15 ●

The radial workstation with D-end is shown here in Santiago Cherry incorporating the stylish yet practical cut back leg. This leg is designed for use when linking desks or adding conference links.

SITUS odyssey, boardroom & multi purpose tables

Multi-purpose tables are available with a 25mm thick top and incorporate a fully welded continuous steel frame for stability.

The configurations are endless for equipping any meeting area.

A selection of storage units have been designed to compliment the Sirius range and are available with a 25mm top and 18mm solid back as standard.
Filing cabinets are manufactured as 2, 3 and 4 drawer variations. Storage cupboards are available with side

opening tambour doors, lockable hinged doors or in a basic open format. All units accommodate various shelving accessories to offer total functionality and efficient storage solutions.
