- Made from Russian Birch plywood
- Dimensions: L 41.8 x W 41 x H 69cms

All products on this page are made from European wood.

### 4 Sturdy Castors

## C5224 - Shape Learning Board

- Children develop their understanding of shape, colour and logical thinking with these set of 5 geometric puzzles.
- Dimensions: L 38 x W 28 x H 2.5cms
- Age: 2+ years

## C5231 - Shape Matching Board

- Children develop early logic colour recognition and shape matching skills with this shapes puzzles.
- Dimensions: L 38 x W 28 x H 2.5cms
- Age: 2+ years

## C5225 - Shape, Size and Colour Learning Board

- A 12 piece wooden shapes peg puzzle that helps children develop colour matching, size sequencing.
- Each piece is easy to grip and fits into the wooden tray that measures.
- Dimensions: L 38 x W 38 x H 9cms
- Age: 2+ years

## C5243 - Shape Teaching Set

- A set of 9 solid wood shapes including circle, triangle, square, cylinder, cube, cone, pyramid, sphere and triangular pyramid.
- Helps children develop shape recognition.
- Dimensions: L 38 x W 38 x H 9cms
- Age: 2+ years

#### C5242 - Fraction Learning Puzzle

- Fractions are made easy with this visual representation.
- Set of 6 fraction puzzles fit onto printed puzzle board.
- Dimensions: L 38 x W 28 x H 2.5cms
- Age: 2+ years

#### C5223 - Giant Jigsaw Puzzle

- A giant jigsaw to help children develop fine motor skills, logical thinking, shape and colour recognition.
- Dimensions: L 38 x W 38 x H 2.5cms
- Age: 2+ years

#### 1 C5244 - Jumbo Wooden Ball Game

- A unique wooden ball game that will inspire creativity and logical thinking.
- An excellent spatial learning game that uses the jumbo wooden coloured balls to create numerous sequencing patterns.
- The set includes work cards which come in 3 coded levels with 16 combinations.
- Dimensions: L 38 x W 38 x H 10cms
- Age: 2+ years

2

#### 2 C5238 - Stacking Game Board

- A wooden pegboard with 4 stacks of geometric shapes.
- Each shape has 3 pieces in various colours.
- Helps children develop fine motor skills, shape and colour recognition.
- Dimensions: L 38 x W 12 x H 6.2cms
- Age: 2+ years

3

#### 3 C5239 - Size and Colour Matching Peg Puzzle

- A double sided colour matching peg puzzle.
- Set of 5 square knob puzzles in varying colours and sizes, helps children understand sequencing, colour matching and develop fine motor skills.
- Dimensions: L 38 x W 12 x H 5.8cms
- Age: 2+ years

4

#### 4 C5240 - Size Teaching Game

- This simple counting game enables children to have a visual representation of numbers and their quantities, which can be further reinforced with simple sums.
- Dimensions: L 38 x W 12 x H 4.6cms
- Age: 2+ years

5

#### 5 C5241 - Geometric Peg Puzzle

- This 4 colour geometric shape puzzle can help stimulate fine motor skills
- Each shape only fits corresponding colours.
- Dimensions: L 38 x W 12 x H 4.6cms
- Age: 2+ years

All products on this page are made from European wood.
